There's Still Time to Make Your Charitable Donations for 2011!

The end of the year is a popular time for people to make their annual **tax-deductible donations** to their favorite charities. Cross that off your "To Do" list by making your donation today to Communities In Schools of Miami, Inc. It's not too late!

You can make a donation to CIS of Miami always assured that you are supporting an accountable organization that will use your funds to make a difference in the lives of disadvantaged youth in Miami-Dade County.

Here is a glimpse of your donation at work:

\$5 Provides a healthy after-school snack to seven low-income children.

\$12 Provides one hour of free tutoring to a struggling student.

\$50 Provides two hours of free counseling to a student in crisis.

\$100 Provides much needed diapers and toiletries for our Stork's Nest Incentive Store at COPE Center South, a school for pregnant teens and teen mothers. Students earn points for attaining personal goals around attendance, behavior, and academic performance. The points are exchanged for personal care products for themselves and their babies.

\$165 Provides 20 students with a visit to their mentor's workplace, where they not only receive personal mentoring but valuable workplace skills to prepare them for their future.

\$300 Keeps 40 students off the street and in a safe setting where they serve their out-of-school suspension and receive academic assistance and case management to ensure they improve their behavior and prevent repeat suspensions.

\$1,000 Provides a year's worth of after-school and summer camp programming for a child who will receive homework assistance, computer classes, arts enrichment, and fitness and recreational activities.

As you can see, *every dollar* you give makes an impact in a student's life. Keeping our students engaged in learning, keeping them safe, and empowering them to achieve is what your investment is all about. Please join us in changing the future of a young person, and the future of our community that benefits from every single high school graduate!
